Chikurin “Karoyaka” Junmai Ginjo Sake

Joto Sake is launching the first USDA-certified 100% organic sake, made with yamada nishiki, 100% organic rice, and is the only sake in Japan that is estate bottled, or home grown. The Chikurin “Karoyaka” Junmai Ginjo has a light and pure flavor profile with a well-balanced fruit to acidity range and a dry taste, pairing well with oysters, white fish, salads and light foods.
